Principal's foreword

Introduction

On behalf of the school community, I welcome you to Deception Bay State School. The material provided in this report will inform you about our achievements throughout 2015 and outline future plans for 2016.

Deception Bay State School has a long history of offering high quality education for boys and girls from preparatory school through to Year 6. We offer relevant and diverse curriculum delivered through quality teaching practices. We focus on meeting the needs of individual students within a safe and supportive environment. Students Deception Bay enjoy many opportunities to develop their skills, knowledge and talents within an environment that fosters personal growth and social development.

I hope you find this report informative and if you are a member of our school community, feel proud of our students' and school's accomplishments throughout 2015.

School progress towards its goals in 2015

In 2015, the school received \$127 342 of Australian government funding, known as the Great Results Guaranteed. Significant achievements that have occurred over the past 12 months are:

- Sustained enrolments
- Sustained implementation of the ACARA curriculum in English, Maths, Science, History and Geography to all year levels;
- Implementation of an Attendance Strategy successfully achieving a significant decrease in unexplained absenteeism;
- Enhanced and refined implementation of the school's Literacy Strategy, including the introduction of a whole school spelling program and consolidation of the CARS & STARS PROGRAM, leading to the sustained improvement of PM Benchmark Reading for all students;
- Continued commitment to the implementation of our pedagogical framework based on the Art and Science of Teaching (ASoT)
- Sporting success in the areas of AFL, Softball and Athletics.
- The development of a new Early Years playground, made possible through financial support of the P&C and the Community Benefit Grant.

Future outlook

The future outlook of Deception Bay State School students will always focus on maximising the life opportunities for all students. The core priorities, goals and strategies for the upcoming years include the following:

- Improving attendance to 95% for all students;
- Every child will be reading at or above their level; and
- Every child will be numerate at or above their level.

Other goals include the continuation of the implementation of social skilling for resilience, Inclusivity for all, the Australian Curriculum in English, Maths, Science, History, Geography and embedding ICTs through the curriculum. We will also continue to further develop our pedagogical framework based on ASoT, engage the parent body and community in meaningful ways and striving to further embed a culture of ongoing professional growth and leadership for all staff.

We will further develop and embed strategies and processes to support the diverse and transient needs of our students. In addition, we continue to seek out and receive extensive community and business support to address the “disadvantage” of our school community. Federal Government, State government and community assistance enables the Deception Bay State School community to be most optimistic about addressing the needs of our students and, in turn, maximising the future potential of each and every student. Our goal is an “aspirational future” for every child!

Our school at a glance

School Profile

Coeducational or single sex: Coeducational

Independent Public School: No

Year levels offered in 2015: Prep Year - Year 6

Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2013	366	184	182	42	88%
2014	363	175	188	52	89%
2015	371	174	197	66	89%

Student counts are based on the Census (August) enrolment collection.

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

Characteristics of the student body:

Deception Bay State School comprises of single year classes. Our students are comprised of many cultural backgrounds all of which are celebrated at the school. The student population of 371 enrolments comprises of 22% Indigenous students, 32% Pan Pacific Islanders and 11% of students are verified with a disability.

The school is continuing to focus on lifting the attendance rate of students to assist in student academic achievement.

Average class sizes

Phase	Average Class Size		
	2013	2014	2015
Prep – Year 3	23	21	24
Year 4 – Year 7 Primary	25	26	28
Year 7 Secondary – Year 10			
Year 11 – Year 12			

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2013	2014*	2015**
Short Suspensions - 1 to 5 days	85	77	66
Long Suspensions - 6 to 20 days	2	1	2

Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Curriculum delivery

Our approach to curriculum delivery

Deception Bay State School recognises the importance of both academic achievement and wellbeing for every child. Our distinctive curriculum offerings include:

- Early Intervention Programs focussing specifically on Oracy and Reading
- Reading programs – SRA and “Cars and Stars”
- The Healthy Start Program specifically aims to prepare identified students for a successful school day.
- SWPBS programming – the explicit teaching of all desired behaviours in the school setting.
- Student Well-Being Initiatives including “KIDS HOPE” Mentoring, CARE intervention, Expressive Therapy, Active-After School Sports Activities and others.
- Class Incursions and Excursions specifically designed to “broaden the experiences” of our students, including our Year 6 camping program, secondary school transition program and university visits to create an aspirational future for our students.

Extra curricula activities

- Instrumental Music and Choir;
- Lunchtime Activities and Games;
- Interschool Sport, District and Regional Sporting opportunities;
- Active After School Sports offered two afternoons per week;
- Kids HOPE Mentoring and
- Leadership Activities for Year 6

How Information and Communication Technologies are used to improve learning

Students have the opportunity to use their computers in both classes and computer labs. All Prep to Year 6 classrooms have interactive whiteboards. All classroom teachers are supplied with laptop computers and all of the shared learning spaces have wireless connectivity installed to support ready access to the internet.

Teachers are continuing to use “Virtual Classrooms” with their students and are embracing Ed Studios as an essential teaching tool.

Teachers are also using various “apps” on mobile phones to enhance activities within the classroom, for example the DoJo reinforcement program. In 2015, we began investing in iPads for use in learning cross the school.

Social Climate

Deception Bay State School is a small school servicing a disadvantaged community. Our school staff “reach out” to all children, providing a holistic education to each and every child. In addition to the extensive support offered to children and their families by administration, teaching and non-teaching staff, the school also provides the services of a very skilled Guidance Officer (3 days per week), and a committed School Chaplain (2 days per week). Services from the local Deception Bay Neighbourhood Centre, the Deception Bay Alliance and the Red Cross (operating on school grounds for two days per week) are also offered and readily accepted by many families. Deception Bay SS operates an Indigenous playgroup for our families to access on Fridays.

Our Student Well Being Centre has continued its operations throughout 2015. Students in need have provision of food and clothing where necessary. Supportive play programs, the Healthy Start program, counselling and other support services for students are also provided through the "The Centre".

Our Responsible Behaviour Plan continued to evolve, with a very strong emphasis on the explicit teaching of desired behaviours and the positive acknowledgement and reinforcement of these positive behaviours. This has been found to be most beneficial in improving student behaviour and student engagement in learning.

We strive to ensure all children and families believe our school to be safe and happy place to be.

Parent, student and staff satisfaction with the school

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.
DW = Data withheld to ensure confidentiality.

Parent and Community Engagement

Parent and carer involvement is, and will always be, warmly welcomed at Deception Bay State School. We firmly believe that when we work in partnership with parents, we enable all students to achieve their very best. Our school uses the following strategies to actively encourage parental and carer involvement:

- Meet the Teacher Information Sessions are held at the start of every year;
- Class Volunteers – Parents and carers are invited to participate in day to day classroom activities, sports activities and cultural activities;
- A fortnightly newsletter is distributed to all families outlining school events and informing parents of important issues affecting their child's education;
- Class newsletters are issued each term to enable all parents and carers to know what their children will be studying throughout the term;
- Parent Teacher Interviews are formally offered twice yearly and are available upon request;
- School activities; for example sporting events, dance parties, music recitals etc. where parent attendance and support is actively encouraged;
- The School website is regularly updated;
- The Parents and Citizens Association meet regularly and contribute meaningfully to all aspects of school life;
- An "open door" policy with Administrators to ensure any problem arising can be quickly resolved and
- Parent Forums are held to ensure all parents have the opportunity to raise questions and be involved in their child's education.

Reducing the school's environmental footprint

The school community work hard to be environmentally friendly. All staff turn off power (lights and fans) when not in the room, air conditioning is set at 24C, and students are explicitly taught to be environmentally friendly in SOSE and Health lessons. It is pleasing to report that our electricity and water consumption has decreased significantly in the last year.

Our school community have identified the need to reduce its environmental footprint and will continue to devise appropriate strategies to trial in 2015.

It is important to note that Deception Bay State School's utilities return also show water usage for the Deception Bay Flexi Centre (funded through Edmund Rice) which was constructed on the grounds of our school. Water kL is therefore not representative of water usage at the school itself.

Years	Environmental footprint indicators	
	Electricity kWh	Water kL
2012-2013	85,470	1,164
2013-2014	65,352	15,285
2014-2015	22,505	743

*The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Our staff profile

Staff composition, including Indigenous staff

Our staff comprises of beginning and experienced teachers. We have a large number of permanent and long term contract staff which contributes to the stability of the school. Small staffing changes come through staff accessing periods of leave for long-service leave or maternity leave.

We boast a committed professional teaching staff, with a highly skilled and competent support staff who provide a safe, caring environment and a challenging curriculum program for all students. Our staff is accepting of change and adopts a life-long learning approach to their learning and development. Strong collegial support is evident within our staff, at both personal and professional levels.

2015 Workforce Composition	Teaching Staff*	Non-teaching Staff	Indigenous Staff
Headcounts	32	23	<5
Full-time equivalents	26	15	<5

Qualification of all teachers

Highest level of attainment	Number of Teaching Staff *
Certificate	0
Diploma	1
Advanced Diploma	0
Bachelor Degree	27
Graduate Diploma etc.**	0
Masters	4
Doctorate	0
Total	32

*Teaching staff includes School Leaders

**Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2015 were \$32 570.96.

The major professional development initiatives are as follows:

- Art and Science of Teaching – pedagogical framework;
- Curriculum, specifically the implementation of the National Curriculum in English, Mathematics, Science, History and Geography;
- The explicit teaching of Reading
- Numeracy – Warm Ups and the Effective Maths Lesson
- Low Incidence Disability – Effective Teaching Strategies
- Teacher Observation and Feedback;
- One School Training;
- ICT Training specifically IWB training, Ed Studios;
- Leadership Skills; and
- Behaviour Management;

Professional Development activities included staff and sector meetings, coaching, peer mentoring, teacher observation feedback, professional readings, on line learning and attendance at formal Professional Development training.

The proportion of the teaching staff involved in professional development activities during 2015 was 100%.

Average staff attendance	2013	2014	2015
Staff attendance for permanent and temporary staff and school leaders.	97%	96%	95%

Proportion of staff retained from the previous school year

From the end of the previous school year, 96% of staff was retained by the school for the entire 2015 school year.

Performance of our students

Key student outcomes

Student attendance	2013	2014	2015
The overall attendance rate for the students at this school (shown as a percentage).	89%	88%	90%
The attendance rate for Indigenous students at this school (shown as a percentage).	88%	82%	88%

The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall attendance rate in 2015 for all Queensland Primary schools was 93%.

Student attendance rate for each year level (shown as a percentage)													
	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2013	87%	89%	88%	91%	91%	89%	88%	90%					
2014	89%	86%	88%	87%	87%	91%	86%	85%					
2015	88%	90%	90%	90%	91%	89%	90%	DW					

*From 2013, the methodology used for calculating attendance rates effectively counts attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student attendance distribution

The proportions of students by attendance range.

Description of how non-attendance is managed by the school

Non-attendance is managed at Deception Bay SS in line with the DET policies, SMS-PR-029: managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

In 2015, we implemented a comprehensive Attendance strategy consisting of the following procedures:

- Class rolls are marked twice daily;
- All classes calculate their daily percentage and discuss how they can improve it.
- Teachers have class reinforcement strategies to celebrate attendance;
- Students with 100% attendance are awarded icypoles on a weekly basis;
- Class attendance awards are awarded on weekly parades;
- Parents whose children achieve 100% attendance "postcards" in the mail acknowledging and celebrating the attendance;
- An Attendance Officer is employed to follow up all absences, using DET strategies and
- The Principal is actively involved in these processes. All processes are in accordance with SMS-PR-036.

In addition, attendance is promoted in enrolment interviews, P & C meetings and in the class and fortnightly newsletter. We also enlist the support of the Police Officer attached to the Deception Bay PCYC to further support families where necessary.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7, and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.
